

C3 – S3 – INLINE OR BLOCK

For each element, write what is the display style by default, either:

BLOCK

- **always starts on a new line**
- always takes up the full width

INLINE

- **does not start on a new line**
- only takes up as much width as necessary.

Element	Default display
<p>	BLOCK
	inline
<div>	block
<h1>	block
<q>	inline
<a>	inline
	block
	block
	block
	inline
