Practice 5

LIVING IN PHNOM PENH, CAMBODIA

In Phnom Penh, life can either be laid-back or extravagant. You can "*rent a simple studio flat, pedal around the city on your bicycle and prepare steamed white rice for dinner. You also have the option,*" if your budget permits, to buy a condo loft, import your European car and dine in the string of restaurants all over Phnom Penh. Regardless of the lifestyle you choose, there are some daily **essentials** and **tips** you should know to settle in to your **host country seamlessly**.

Practice 5

```
                          html
              ┌────────────┴────────────┐
            head                       body
              │              ┌──────────┼──────────┐
            title           h1         hr          p
                                                ┌───┴───┐
                                             b x 3      q
                                                        │
                                                        i
```
